Proudly part of the Apollo Care Alliance

A welcoming *country-style* community

At Vincent Court, we support each resident to maintain their interests, familiar routines and connections to the people and places they love.

We're working hard to make our community an even better place to live and work, with a multifaceted improvement program. This comprises enhancements to resident suites and shared spaces, best-practice governance, an award-winning employee wellbeing program, and a cutting-edge cloud-based IT system to optimise resident care.

Vincent Court has a culture of caring that puts residents first. Here, everyone is supported to live their way, with grace and dignity.

Sheridan Atkin | Residential Service Manager

"Vincent Court really is a wonderful community. There's always lots to do, and everyone is so friendly. I enjoy spending time with my neighbours, and the staff treat me like I'm family. I just feel at home here."

Everyday *by your side*

Our Carers and Nurses focus on you as a person, getting to know your story, likes and routine. We listen, respect your choices and support you to live your way, whatever that looks like to you. Our expert team is on-hand 24/7 to provide tailored care that matches your specific needs, delivered with kindness and compassion.

Everyday *home cooking*

When it comes to food, there's plenty of choice – just like home. Everything is freshly made in our own kitchen, and our nutritious, seasonal menus offer variety and family favourites. You can choose to join your neighbours for meals in our dining rooms, or enjoy them in the privacy of your own suite.

Everyday *wellbeing*

We support you to find comfort, enjoyment and meaning in your daily life. Our resident-driven Lifestyle Program includes a range of interesting activities and outings, and we'll help you maintain your valued family and community connections. Residents are welcome to attend on-site Chapel services and receive pastoral support.

Everyday *spaces*

Vincent Court is divided into smaller households that are designed to feel like home. There are welcoming lounge and dining spaces and the familiar features of a traditional backyard, like courtyards, flower beds and established trees. Your light-filled, private room can be furnished and decorated as you like, so it feels like a master bedroom.

Everyday *for locals*

We're working hard to support Vincent Court to continue to evolve and thrive, while preserving what makes it so special. Together with the wider community, we're building a sustainable future for aged care in Kempsey so locals can choose to remain living here as they age.
