

**VINCENT COURT**  
AGED CARE COMMUNITY

A community that *feels like home*

Proudly part of the Apollo Care Alliance

# Welcome

*“Vincent Court was founded to serve the local community almost four decades ago, and it is still achieving this purpose today.*

As part of the national Apollo Care Alliance, Vincent Court continues to benefit from a multi-faceted investment program comprising best-practice governance, an award-winning culture and performance program, and a cutting-edge cloud-based IT system that includes hand-held mobile devices for every care worker. We are also benefitting from refurbishments to private suites and shared spaces.

Our community has achieved the highest possible accreditation by the Australian Government’s Aged Care Quality and Safety Commission, giving residents and their families confidence in the exceptional care we provide.

With a culture of caring that puts residents first, Vincent Court is a warm, welcoming community where residents are supported to live their way, with grace and dignity.”

*I used to volunteer here and I’m so happy to live here now. I’m part of a beautiful community and I enjoy doing so many things with others. Vincent Court feels like home because I can be who I am and everyone around me feels like friends and family.*

## A culture of caring that puts residents first

Feeling at home is about feeling you belong. At Vincent Court, the physical and emotional wellbeing of residents are our highest priorities. We’ve introduced an award-winning staff culture program that unites our team to work together to put residents first. We listen, respect your choices and support you to live your way.

## Design your own day

Just like at home, you decide how you’d like to spend your day. When you rise, eat and shower is up to you, and you’re supported to keep doing the things you’ve always enjoyed, like watering the garden, visiting the hairdresser, and continuing your interests. There’s no set visiting hours, so you can welcome friends and family whenever you like.

### Creating a sense of home

To offer a more personal living experience, Vincent Court is divided into six households where residents share a kitchenette, lounge and dining room. Your light-filled room, complete with its own ensuite, can be furnished and decorated as you like, and you can enjoy the simple pleasures of a traditional backyard, with courtyards, flower beds and veggie patches.

### Carers who get to know you well

Our Carers and Nurses focus on you as a person, getting to know your story, likes and routine. On-hand 24/7, they provide a holistic care experience tailored to your needs. With specialist expertise across all aspects of aged care, including infection control, respite, dementia and palliative care, they support each resident with kindness and compassion.

### Meaningful activities that bring enjoyment

We support you to find comfort, enjoyment and meaning in your daily life. Our resident-driven Lifestyle Program includes a range of interesting activities and outings, and we'll help you maintain your connections to the people and places you love. All residents, regardless of faith, are welcome to attend services in our on-site Chapel or the Parish Church, and receive pastoral support.

### A flexible approach to home made meals

Walk through our doors and you'll be met with the delicious aromas of home cooking. Everything is freshly made in our own restaurant-style kitchen, and our menus offer variety and family favourites. You can choose when and where you eat your meals, and our kitchen staff can make you and your visitors a snack or drink at any time.
